

Black Hawk Community Church is seeking a new Pastor. Our current pastor is retiring the 4th of June 2020. We are a small congregation seeking to grow in the grace and knowledge of our Lord Jesus Christ. We are hoping to begin work on a new classroom addition in 2021.

Our Motto is "Jesus is Lord." Our hope, our desire is to model Christ in every aspect of our lives so that others will dedicate their lives to our Lord, Jesus Christ.

You will have the opportunity, and the leadership's support, to build the job around your strengths and abilities. The leadership at Black Hawk Community Church will welcome your ideas and suggestions for strengthening the congregation and enlarging the work of the church in our community.

Responsibilities will include:

- Prepare a Bible-based sermon each week
- Discipling young people and families in their Christian walk

Other responsibilities may include but are not limited to:

- Teaching an adult class each week
- Promoting the many missions our church supports

Hospital and/or in-home visits

We are looking for a pastor with a bachelor's degree from an accredited Christian college to lead us into the new decade and beyond.
